II The expenditure of Rs: 1002-4-0 alluded to in the reference under reply is the total of sums expended during February, March, & April

and May 1901 as noted on the margin.

III The difference of annas one noticed is due to a clerical error in reporting 1004-4-0 as 1004-5-0. The correct total expenditure upto end of may is Rs: 4154-5-6 but not 4154-6-6.
